## \*CALL TO WORSHIP

Dr. Phillips

We are called to be people of faith in the midst of the world, and so we mix our worship and our work, our faith and our life. We gather here as people who live in the world, and yet, we gather as people who have been called to see the world from a different viewpoint.

**God has called us together to be part of a community that holds to faith even as the world shakes our confidence in our relationships to God and each other.**

So in this time together, may God open our hearts, minds, and eyes, allowing us to see deeper with eyes of faith, helping us to live in the world, while still offering a challenge to the ways of the world. Let us pray.

## \*INVOCATION

Dr. Phillips

**Lord God, keep us faithful. Give us faith that acts. When our faith grows weary, strengthen us. When our faith grows fearful, give us courage. When our faith grows despairing, give us witnesses. And when the faith of others falters, may**

**we be an unshakable light in darkness. We pray in the name of Jesus, the light of the world, amen.**
